Name: _____ Date: _____

Tracks in the Snow

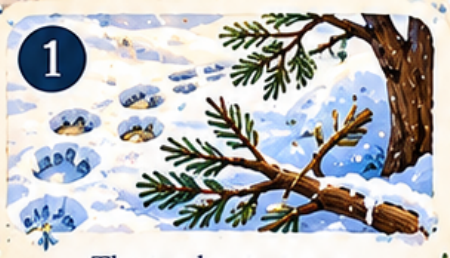

Someone left tracks in the snow!
Read the clues and decide what happened before the tracks appeared.

Detective Challenge

1. Look at the tracks and read the clues.
2. Think about what might have happened before the tracks appeared.
3. Put the events in the correct order.
4. Use the clues to explain your thinking.

The Clues

1

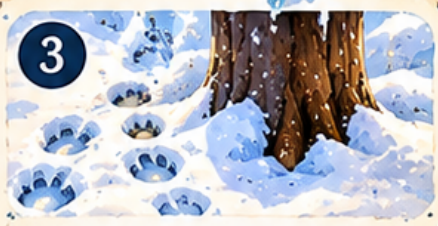

The tracks start near a fallen branch.

2

The tracks continue toward a snowy rock with some berries.

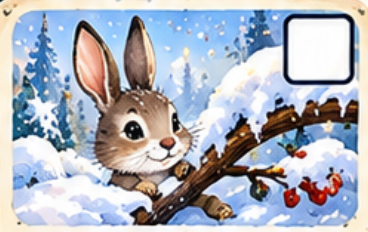

3

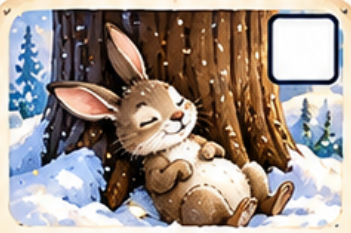

The tracks end behind a tree, where the snow looks like someone sat down.

What Happened?

Look at the pictures below. Put the events in the correct order (1, 2, 3, 4). Then write a short sentence to tell what happened.

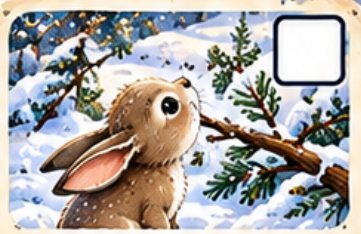

Found some berries to nibble.

Sat down for a rest.

Hopped through the snow.

Noticed a fallen branch.

Tell the Story

What happened before the tracks appeared?
