WINTER

BRINGS

REST

NEW MAGIC ♥

As fall comes to an end, write a letter from Autumn to Winter. Tell Winter what you're leaving behind and what to take care of next!

What is Personification?

Personification means giving human traits (feelings, thoughts or actions) to a non-human thing.

Example:

Autumn waves goodbye to the trees.

Plan Your Letter

1 What am I leaving behind?

Think about the things, colors, animals or events from fall that are ending.

2 What should Winter take care of next?

What needs rest, protection or time to grow?

3 How do I feel?

Are you proud, thankful, excited or maybe a little sad to say goodbye? ♥

★ Personification Challenge!

Use at least 3 examples of personification in your letter.

Dear Winter,

With warm wishes,

Leaves may go,
but wonder
always stays. ♥
