FOUND LEAF REPORT

A curious leaf has been found and brought to the Lost and Found Leaf Department! Use your imagination, observations, and knowledge of trees to complete the report.

1 Leaf Name

Invent a unique and creative name for this leaf.

2 Tree

What kind of tree do you think this leaf came from? (Use what you know about leaf shapes, or make a creative guess!)

3 Special Ability

What makes this leaf extraordinary? (Example: glows at night, can help animals, changes colors with moods, etc.)

4 Discovered At

Where was this leaf found? (Be specific! In a park, by a river, on a playground, in the mountains, etc.)

5 How It Became Lost

Tell the story of how this leaf became separated from its tree.
