

Fall Window Viewer

A simple craft to reveal your perfect autumn scene!

1 Print the shutters.

Print the shutter template on regular paper or cardstock.

2 Cut out the shutters.

Cut around the outer edges. Keep the glue flaps attached.

3 Fold the flaps.

Fold back the glue flaps on the dotted lines.

4 Glue to a background.

Glue the flaps to a blank sheet of paper or cardstock. Only put glue on the flaps so the shutters can open and close.

5 Draw your autumn scene.

Open the shutters and draw your perfect fall scene on the paper underneath.

6 Close and open!

Close the shutters... then open them to reveal your fall scene!

Finished Example!

Close the shutters to keep your scene a secret! Then open to share!
