♥ A NOTE TO ♥ Teachers & Families

The Cozy Reading Challenge invites children to explore reading in playful, meaningful, and creative ways. Instead of counting books, this challenge focuses on experiences — because reading is so much more than a number. It can make us laugh, help us learn, connect us with others, take us to new places, and bring comfort to our everyday lives.

This 30-day challenge is designed to be flexible, joyful, and inclusive. Students can complete all 30 experiences or choose 20 to make it their own. The goal is to spark curiosity, build a positive reading mindset, and help children discover (or rediscover!) the many reasons reading matters.

♥ HOW TO USE THIS PACKET: ♥

- ♥ Share the challenge as a class, small group, or at home.
- ♥ Students choose a different reading experience each day (or complete all 30!).
- ♥ Use the included tracker to keep track of their progress.
- ♥ Encourage students to reflect on their favorite experiences.
- ♥ Celebrate their effort with the completion certificate!

Let's make this a season of cozy stories, curious minds, and big imaginations!
